## Scholarship Needs

MOPS of Greer FBC wants to include any mother who wishes to join our group regardless of her financial situation. Because we believe that all requests for assistance should be honored on a true need, we offer a limited number of scholarships. Whatever you can contribute towards your fees will allow us to help the maximum number of women possible. All scholarships are made on a case-by-case basis, and all scholarship requests are confidential. We do not delve into specific individual financial situations. We trust that all requests for assistance are based on true need. We ask that you ponder the following questions below:

- How much of a priority is attending MOPS in my life?
- How much do I spend in membership fees/dues/supplies for other clubs or hobbies I participate in?
- Are there areas of my life that I could adjust my disposable income spending in order to afford MOPS?

I am able to pay:

MOPS International Membership Fee (\$23.95)

50% of the yearly dues (\$22.50 per semester/ \$45 per year)

Please specify any amount you are able to contribute:

\$

I am not able to pay any amount at this time

## Scholarship Policy

I understand that in order to receive this scholarship, I commit to the following:

- To attend every meeting if at all possible.
- To keep the scholarship and the amount I receive confidential.

I understand that failure to follow through on the above-mentioned items may result in denial of future scholarship requests.
